Dear Parents/Carers

Homework Timetable

Your son/daughter should study the subjects nominated for their year/teaching group each evening, as illustrated in the homework timetable on our website. The following is a guide to the time pupils should spend on homework per evening.

Year 7	1 hour
Year 8	1½ hours
Year 9	2 hours
Years 10/11	2½ hours
Years 12/13	3 hours

Pupils in **Years 10, 11, 12 and 13** are preparing for external examinations and will always have reading and learning to do, as well as written homework. It is essential that pupils appreciate the importance of such homework and give it as much attention as written exercises.

In order to make real progress, pupils must do homework regularly and conscientiously. All parents are asked to co-operate in this area and to show an interest in the work set by signing the homework diary. If your child is not doing homework, or says that none is being set, please contact the Head of Year.

Yours faithfully
