13/12/18

Dear Parents/Carers,

I am writing to you regarding the Route 1 bus service that your child currently uses. As you are aware, St Mary's school has the responsibility for tendering the bus contracts. The school does not receive any funding for transport provision and therefore the full cost must be met by the revenue earned from ticket sales. However, despite our best efforts as a school, the current Route 3 service is not financially sustainable and regrettably we are not going to be able to continue to run the service as it currently stands.

We are aware of the implications of removing a bus route and the negative impact this would have on our families. Consequently, we have spent significant time this year looking at how to re-structure the bus routes to ensure that all pupils who currently have a pass will be able to continue to use a St. Mary's bus, at no increased cost to parents.

As a result of this restructure, the Whittington pupils from our current Route 3 will now change to Route 1. This will mean that pupils who currently use the Route 1 bus will notice an increase in the journey time of around 15 minutes for both journeys. We are aware that this is not ideal, however this is the only solution that will enable us to continue to secure sustainable bus routes for all our families. We have attached a new Route 1 timetable to this letter.

The new bus route will start on Monday 7th January 2019.

Please do not hesitate to contact school if you have any queries.

Kind regards,

Mr A Breedon
Head of School Transport

Mrs R Oldfield
School Transport Assistant
