Dear Parent/Carer

We have invited representatives from the Universities of Oxford and Cambridge to come to our school on 20 March 2019, primarily to talk to Sixth Form students about the opportunities available at both universities, to explain the way undergraduate courses are delivered and to discuss the application and selection process for each university. Sixth Form students from two other schools in the area will also be attending.

We are well aware that we have many ambitious and talented students in Years 10 and 11, who may well be keen to apply to these prestigious Russell Group Universities in the future. We are keen to both encourage them and to inform them on the opportunities and demands of this course of study.

The information session will take place in the Drama Hall between 4pm and 5.30pm on Wednesday 20 March. If your child is interested in attending, please reply by Friday 8 March. Please be aware that places are limited, so will be given on a first come, first served basis. Please note that you must arrange transport home for your child.

We look forward to seeing your child at this event.

Yours faithfully
