Dear Parents/Carers

## Effective Revision Techniques- Thursday 12 March

If pupils are to achieve their full potential, they must employ revision techniques which are best suited to their individual needs. In order to support all pupils, we have therefore arranged for the highly regarded speaker, Tim Benton, to attend St Mary's. During the day he will focus on how to learn more effectively and revision strategies for the forthcoming GCSE examinations. This will involve all of **Year 11** during Assembly and some smaller group work for selected students throughout the day.

I am pleased to offer parents/carers of **Year 11 and Year 10 students** an opportunity to also attend a session with Tim Benton. On Thursday 12 March at 6pm, a corresponding talk for parents/carers, which will focus on the above, along with ideas specifically directed at how to help support and organise sons and daughters during this stressful time, will take place in the Drama Hall.

The sessions have been organised as a direct response to pupil and parental requests and I therefore hope you will be able to attend the meeting, which will last for around one hour. Many parents attended this session last year and found it extremely informative and helpful. I anticipate Tim Benton's talk to follow similar lines this year.

Please complete the Reply Slip to indicate if you would like to attend this important meeting and if you have any queries please do not hesitate to contact me.

Yours faithfully

**Miss H McKay**  
**Assistant Headteacher**
