February 2020

Dear Parents/Carers

This year the R.E. department are providing a variety of revision resources for Year 11.

Revision work booklets to further support learning are being distributed to students. These will cost a total of five pounds for three booklets covering the entirety of the course. These will provide students with a whole host of revision material and activities. Payments are to be made through Parent Pay.

Students who need extra support in addition to their lessons will be asked to attend one to one sessions with their class teacher, who will direct their independent revision. It is our hope that this intervention will boost their confidence and performance.

We will also be hosting revision clinics to allow students to seek support. These will take place frequently throughout the week. Your child will be notified of times of these clinics by their class teacher.

If you have any queries do not hesitate to contact us.

Yours faithfully

Miss H Loxley
Key Stage 4 RE Co-ordinator
