September 2020

Dear Parents/Carers

In Year 7 pupils will complete a number of projects in their technology lessons using wood, metal, plastic, graphics, textiles, and food.

Materials are provided by school and we are using ParentPay to collect money to contribute towards the cost. This year we have had to include the cost of a pair of safety spectacles, which all pupils will be issued with in order to avoid sharing these items in the light of the COVID situation. These spectacles will also be required for science lessons.

The amount requested is £10.00 and includes:

- All textile materials.
- All items marked as 'school' in food recipes (This prevents individual students buying more than they need of some ingredients and avoids parents having to search for less common ingredients).
- All materials used, including: wood, metal, plastic.
- A 16GB USB.
- The plastic protective folder (for both areas of DT).
- A pair of safety spectacles.

Could you please log on and make this payment on ParentPay before Friday, 23 October 2020

If you have any problems using ParentPay please contact Mrs Brooks in School Finance Office.

Please note if your child is in receipt of Free School Meals then a contribution of 50% (of the total above) would be appreciated.

Yours faithfully

Mr T Fagan
Head of Design & Technology

Mr J Cox
Head of Standards & Achievement
